Return Policy

Promotional trade-in credits issued over 24 months and will appear in 1-2 billing cycles after receipt of trade at Verizon. Your smartphone purchase must remain active on device payment agreement for 24 months to receive credits. You may return or exchange wireless devices and accessories within 14 days of purchase. Gift cards are not eligible for return or exchange, except as required by law. A restocking fee of \$50 applies to any return or exchange of a wireless device (excluding Hawaii). You may exchange your device one time. For Buy One, Get One or similar offers, both items must be returned. See verizonwireless.com/returnpolicy for complete details. Note: Eligible items purchased may be returned or exchanged through #*#*#*#*#*#.

If you cancel service, or if device payment agreement is paid off or transferred, promotional credits will stop. Traded device must be in good working and cosmetic condition to receive credits.

Device Promotion

You'll see your monthly promo credit in 1-2 billing cycles. If your credit takes 2 cycles to appear, you'll see the credit for the first cycle on your second bill, in addition to that month's credit. Only one promotion per line. Line(s) must remain active, on an eligible plan and in good standing to receive promotional value. The credits will end at the end of your promotional term or when you cancel, transfer or upgrade this line. If your promo credits are associated with a trade-in, you'll lose your credits when you pay off your device payment agreement (DPA) before your trade-in device is received and the device you traded in must be in good working and cosmetic condition to receive credits. If you purchased your device on a DPA with an offer to Buy One device, and Get One device at a discount (or Free), then credits will also end when the DPA balance is fully paid.
