Trade-in device transactions are final and devices cannot be returned.

If you received promo value when trading in a device and/or instant device savings, you will be charged for that value if you do not maintain active service for three billing cycles.

In some states, recycle credit reduces the tax base. The Taxes or fees on your purchase were based on a price of \$1,289.99. Verizon will also adjust any promotional Trade-in value if you return or exchange your promotional device.

will stop. Verizon will also adjust any promotional Trade-in value if you return or exchange your promotional device.

or change your promotional device condition to receive credits.

#### Return Policy

Promotional trade in credits issued over 24 months and will appear in 1-2 bill cycles after receipt of trade at Verizon. Your smartphone cards are not eligible for return or exchange, except as required by law. A restocking fee of \$50 applies to any return or exchange of a wireless device (excluding Hawaii). You may exchange your

device one time. For Buy One, Get One or similar offers, both items must be returned. See

[verizonwireless.com/returnpolicy](http://verizonwireless.com/returnpolicy) for complete details. Note: Eligible items purchased may be

returned or exchanged through ####/####/####.

Transferred promotional credits will stop. Traded device must be in

the original and good condition to receive credits.

#### Device Promotion

You'll see your monthly promo credit in 1-2 billing cycles. If your credit takes 2 cycles to appear, you'll see the credit for the first cycle on your second bill, in addition to that month's credit. Only one promotion per line. Line(s) must remain active, on an eligible plan and in good standing to receive

promotional value. The credits will end at the end of your promotional term or when you cancel, transfer or upgrade this line. If your promo credits are associated with a trade-in, you'll lose

your credits when you pay off your device payment agreement (DPA) before your trade-in device is received and the device you traded in must be in good working and cosmetic condition to receive credits.

If you purchased your device on a DPA with an offer to Buy One device and Get One device at a discount (or Free), then credits will also end when the DPA balance is fully paid.
